Description: Rosuick farm comprises mixed farming, environmental conservation, pedigree beef cattle and sheep. Managing approximately 1500 acres across the Lizard peninsula (250 acres owned). Growing heritage grains including regular field trials. Crops and meat are sold commercially wholesale as well as direct sales. Contracting services, land management and consultancy offered across a range of agriculture and environmental projects. Events venues on farm, farm walks and skills sharing. Meadowmatch partner with Cornwall council and The wildflower collective creating species rich grassland. Exemplar farm in Agroforestry. Rosuick farm is working towards Net Zero emissions. The purchase is part of a grant funded application process and therefore procurement will be subject to grant approval of the project. We will assess tenders received on lowest compliant Tender.
